## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of IndiaMART InterMESH Limited

### Opinion

We have audited the condensed standalone interim financial statements of IndiaMART InterMESH Limited ("the Company"), which comprise the condensed standalone interim balance sheet as at 31 December 2022, the condensed standalone interim statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, the condensed standalone interim statement of changes in equity and condensed standalone interim statement of cash flows for the year-to-date period then ended, and notes to the condensed standalone interim financial statements, including a summary of the significant accounting policies and other explanatory information, as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 December 2022, profit and other comprehensive income for the quarter and year-to-date period then ended, and changes in equity and its cash flows for the year-to-date period ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Management's and Board of Directors' Responsibility for the Condensed Standalone Interim Financial Statements

The Company's management and Board of Directors are responsible for the preparation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

KL

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the condensed standalone interim financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements**

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

LL

B S R & Co. LLP

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **1. Corporate Information**

IndiaMART InterMesh Limited ("the Company") is a public company domiciled in India and was incorporated on 13 September 1999 under the provisions of the Companies Act applicable in India. The equity shares of the Company are listed on BSE Limited and National Stock Exchange of India. The Company is engaged in e-marketplace for business needs, which acts as an interactive hub for domestic and international buyers and suppliers. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg, New Delhi-110002, India.

The condensed standalone interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 19 January 2023.

## **2. Summary of Significant Accounting Policies**

### **(a) Statement of compliance**

The condensed standalone interim financial statements for the period ended 31 December 2022 have been prepared in accordance with Indian Accounting Standard (referred to as "Ind AS") 34, Interim Financial Reporting and other Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 2013 ("the Act") (as amended from time to time). These condensed standalone interim financial statements must be read in conjunction with the standalone financial statements for the year ended 31 March 2022. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are significant to an understanding of the changes in the Company's financial position and performance since the last annual standalone financial statements.

All amounts disclosed in the condensed standalone interim financial statements have been rounded off to the nearest INR million as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

### **(b) Basis of Preparation**

The condensed standalone interim financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed standalone interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the condensed standalone interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

## **3. Significant accounting estimates and assumptions**

The preparation of condensed standalone interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgements made by management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those described in the last standalone annual financial statements for the year ended 31 March 2022.

### **Measurement of fair values**

The Company records certain financial assets and liabilities at fair value on a recurring basis. The Company determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Company's management determines the policies and procedures for recurring fair value measurement, such as investment in debt instruments, equity instruments and preference instruments of other entities, investment in mutual funds, exchange traded funds, bonds, debentures, units of investment trust and units of alternative investment funds measured at fair value.

The Company has an embedded derivative feature in investment in a subsidiary. Derivatives are recognised initially at fair value; attributable transaction costs are recognized in profit or loss as incurred. Fair value of the derivative is determined on inception using Monte Carlo simulation model. Subsequent to initial recognition, derivative is measured at fair value, and changes therein are accounted in profit or loss.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed standalone interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed standalone interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

Notes:

- The Board of Directors at its meeting held on 28 April 2022, approved a proposal to buy-back upto 160,000 equity shares of the Company for an aggregate amount not exceeding INR 1,000, being 0.52% of the total paid up equity share capital at 6,250 per equity share. A Letter of Offer was made to all eligible shareholders. The Company bought back 160,000 equity shares out of the shares that were tendered by eligible shareholders and extinguished the equity shares on 29 June 2022. Capital redemption reserve was created to the extent of share capital extinguished of INR 1.60. The excess cost of buy-back of INR 1,012.78 (including INR 12.78 towards transaction cost of buy-back) over par value of share and corresponding tax on buy-back of INR 232.59 were offset from retained earnings.

Nature and purpose of reserves and surplus:

- Securities premium:** The Securities premium account is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act, 2013.
- Capital redemption reserve:** The Capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.
- General reserve:** The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes, as the same is created by transfer from one component of equity to another.
- Employee share based payment reserve:** The Employee share based payment reserve is used to recognise the compensation related to share based awards issued to employees under Company's Share based payment scheme.
- Retained earnings:** Retained earnings represent the amount of accumulated earnings of the Company, and re-measurement gains/losses on defined benefit plans.

## 25 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the earnings for the period attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS are calculated by dividing the earnings for the period attributable to the equity holders of the Company by weighted average number of equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

	For the quarter ended 31 December 2022	For the quarter ended 31 December 2021	For the nine months ended 31 December 2022	For the nine months ended 31 December 2021
<b>Basic</b>				
Net profit as per the statement of profit and loss for computation of EPS (A)	815.11	743.42	2,045.85	2,500.87
Weighted average number of equity shares used in calculating basic EPS (B)	30,562,968	30,484,887	30,519,254	30,382,050
Basic earnings per equity share (A/B)	26.67	24.39	67.03	82.31
<b>Diluted</b>				
Weighted average number of equity shares used in calculating basic EPS	30,562,968	30,484,887	30,519,254	30,382,050
Potential equity shares	13,698	257,986	110,450	351,090
Total no. of shares outstanding (including dilution) (C)	30,576,666	30,742,873	30,629,704	30,733,140
Diluted earnings per equity share (A/C)	26.66	24.18	66.79	81.37

There are potential equity shares for the period ended 31 December 2022 and 31 December 2021 in the form of share based awards granted to employees which have been considered in the calculation of diluted earning per share.

26 Income tax

a) Income tax expense/(income) recognised in Statement of profit and loss

Particulars	For the quarter ended 31 December 2022	For the quarter ended 31 December 2021	For the nine months ended 31 December 2022	For the nine months ended 31 December 2021
<b>Current tax expense</b>				
Current tax for the period	225.03	221.82	646.64	758.43
	<u>225.03</u>	<u>221.82</u>	<u>646.64</u>	<u>758.43</u>
<b>Deferred tax expense/(benefit)</b>

	<u>61.06</u>	<u>9.19</u>	<u>(104.87)</u>	<u>(23.07)</u>
<b>Total income tax expense</b>	<u>286.09</u>	<u>231.01</u>	<u>541.77</u>	<u>735.36</u>

The effective tax rate has been reduced from 22.72% for the period ended 31 December 2021 to 20.94% for the period ended 31 December 2022, primarily on account of long term capital gain realised on sale of mutual funds units and investments taxed at lower rate.

b) Income tax recognised in other comprehensive income/(loss) (OCI)

Deferred tax related to items recognised in OCI during the period

Particulars	For the quarter ended 31 December 2022	For the quarter ended 31 December 2021	For the nine months ended 31 December 2022	For the nine months ended 31 December 2021

c) Reconciliation of Deferred tax assets/(liabilities) (Net):

Particulars	As at 31 December 2022	As at 31 March 2022
<b>Opening balance as of 1 April</b>	(156.42)	(207.20)
Tax (expense)/ benefit during the period recognised in Statement of profit and loss	104.87	52.22
Tax impact during the period/year recognised in OCI	(16.57)	(1.44)
<b>Closing balance at the end of the period/year</b>	<u>(68.12)</u>	<u>(156.42)</u>

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities, and deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

27 Defined benefit plan and other long-term employee benefit plan

The Company has a defined benefit gratuity plan. Every employee who has completed statutory defined period of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with insurance company in form of qualifying insurance policy. This defined benefit plan exposes the Company to actuarial risks, such as longevity risk, interest rate risk and salary risk.

The amount included in the balance sheet arising from the Company's obligation in respect of its gratuity plan and leave encashment is as follows:

Gratuity - defined benefit plan

	As at 31 December 2022	As at 31 March 2022

b) The following methods / assumptions were used to estimate the fair values:

- The carrying value of Deposits with Banks, Inter-corporate deposits with Financial institutions, trade receivables, cash and cash equivalents, loans to employees, trade payables, security deposits, lease liabilities and other financial assets and other financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments. These have been assessed basis counterparty credit risk.
- The fair value of non-current financial assets and financial liabilities are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used do not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.
- Fair value of quoted mutual funds, exchange traded fund, alternative investment funds and investment trust is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.
- Fair value of debt instruments of subsidiaries and equity/preference instruments of other entities is estimated based on replacement cost method / discounted cash flows / market multiple valuation technique using cash flow projections, discount rate and credit risk and are classified as Level 3.
- Fair value of the quoted bonds and debentures is determined using observable market's inputs and is classified as Level 2.
- Fair value of derivative contract liability is determined using Monte Carlo Simulation method and is classified as Level 3.

c) Following table describes the valuation techniques used and key inputs thereto for the level 3 financial assets as of 31 December 2022 :

### 32 Contingent liabilities and commitments

#### a) Contingent liabilities

1) Pursuant to the service tax audit for the financial year 2013-14 to 2017-18 (i.e. upto 30 June 2017), a demand has been raised on non-payment of service tax under rule 6(3) of CCR, 2004 on "Net gain on sale of current investments" of INR 15.38. The Company has already recorded the provision for the said amount in the books of accounts in the financial year 2019-20. The Company was contesting the aforesaid mentioned demand against commissioner (Appeals). During the current quarter, the order has been received rejecting the appeal and imposing 100% penalty of INR 15.38. The Company is in process of filing the appeal before Tribunal against the order, and the management believes that the Company's position in the matter will be tenable.

2. On February 28, 2019, a judgment of the Supreme Court of India interpreting certain statutory defined contribution obligations of employees and employers altered historical understandings of such obligations, extending them to cover additional portions of the employee's income. However, the judgment isn't explicit if such interpretation may have retrospective application resulting in increased contribution for past and future years for certain employees of the Company. The Company, based on an internal assessment, evaluated that there are numerous interpretative challenges on the retrospective application of the judgment which results in impracticability in estimation of and timing of payment and amount involved. As a result of lack of implementation guidance and interpretative challenges involved, the Company is unable to reliably estimate the amount involved. Accordingly, the Company shall evaluate the amount of provision, if any, on there being further clarity on the matter.

3. The Company is involved in various lawsuits, claims and proceedings that arise in the ordinary course of business, the outcome of which is inherently uncertain. Some of these matters include speculative and frivolous claims for substantial or indeterminate amounts of damages. The Company records a liability when it is both probable that a loss has been incurred and the amount can be reasonably estimated. Significant judgment is required to determine both probability and the estimated amount. The Company reviews these provisions and adjusts these provisions accordingly to reflect the impact of negotiations, settlements, rulings, advice of legal counsel, and updated information. The Company believes that the amount or estimable range of reasonably possible loss, will not, either individually or in the aggregate, have a material adverse effect on its business, financial position, results or cash flows of the Company, with respect to loss contingencies for legal and other contingencies as at 31 December 2022.

4. The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be published. The Company will carry out an evaluation of the impact and record the same in the financial statements in the period in which the Code becomes effective and the related rules are published.

#### b) Capital and other commitments

- As at 31 December 2022, the Company has NIL capital commitment (31 March 2022: NIL).
- The Company will provide financial support to its wholly owned subsidiaries, so as to meet their liabilities as and when the same is required.

### 33 Events after the reporting period

- a) The Company has evaluated all the subsequent events through 19 January 2023, which is the date on which these condensed standalone interim financial statements were issued, and no events have occurred from the balance sheet date through that date except for matters that have already been considered in the condensed standalone interim financial statements.
