INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Tradezeal Online Private Limited

Opinion

We have audited the condensed standalone interim financial statements of **Tradezeal Online Private Limited** ("the Company"), which comprise the condensed standalone balance sheet as at 30 June 2021, and the condensed standalone statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, condensed standalone statement of changes in equity and condensed standalone statement of cash flows for the year-to-date period then ended, and notes to the condensed standalone interim financial statements, including a summary of the significant accounting policies and other explanatory information, as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 30 June 2021, and profit/loss and other comprehensive income for the quarter and year-to-date period then ended, changes in equity and its cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Condensed Standalone Interim Financial Statements

The Company's management and Board of Directors are responsible for the preparation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed standalone interim financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Tradezeal Online Private Limited (Formerly known as Tradezeal International Private Limited)
Notes to the condensed financial statements for the period ended 30th June 2021
(Amounts in “Thousands”)

1. Corporate Information

Tradezeal Online Private Limited (Formerly known as Tradezeal International Private Limited) (“the Company”) is a public company domiciled in India and was incorporated on May 31, 2005 under the provision of the Companies Act applicable in India. The Company is engaged in carrying out the business related to Investment and allied activities. The registered office of the Company is located at 1st Floor, 29-Daryaganj, Netaji Subash Marg New Delhi-110002, India.

The condensed interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 21 July 2021.

2. Significant accounting policies

Basis of preparation

The condensed interim financial statements of the Company for the period ended 30th June 2021 have been prepared in accordance with Indian Accounting Standard (‘Ind AS’) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs (“MCA”).

These condensed interim financial statements must be read in conjunction with the company’s last annual financial statements for the year ended March 31, 2021. They do include all the information required for complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transaction that are significant to an understanding of the changes in the Company’s financial position and performance since the last annual statements.

All amounts disclosed in the condensed interim financial statements and notes have been rounded off to the nearest INR thousand as per the requirement of Schedule III, unless otherwise stated.

3. Significant accounting estimates and assumptions

The preparation of condensed interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Therefore, actual results could differ from these estimates.

Fair value measurement

The Company measures financial instruments, such as Investment in optionally convertible cumulative redeemable preference shares (OCCRPS), Investment in mutual funds, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Tradezeal Online Private Limited (Formerly known as Tradezeal International Private Limited)
Notes to the condensed financial statements for the period ended 30th June 2021
(Amounts in “Thousands”)

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company’s assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods and quantitative disclosure of fair value measurement hierarchy (Note 15).

IND AS 116 Leases

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases and related interpretation and guidance. The standard sets out principles for recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value.

A contract is lease contract that conveys the right to control the use of an identified asset if, throughout the period of use, the Company has the right to: (1) obtain substantially all of the economic benefits from the use of the identified asset and (2) direct the use of the identified asset (i.e., direct how and for what purpose the asset is used).

Therefore, the assets on which the Company did not have a substantive right/practical ability to substitute the allocated space that shall not be considered as a lease contract.

Impact of COVID-19

The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue and cost, impact on leases, impact on investment in subsidiaries and associates and investment in other entities. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

14 Earnings per share

Basic EPS amounts are calculated by dividing the loss for the period attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period.
Diluted EPS are calculated by dividing the loss for the period attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

Basic

Loss for the period
Weighted average number of equity shares in calculating basic EPS

Basic loss per share

For the period ended 30 June 2021	For the period ended 30 June 2020
(5,112)	(914)
110,000	110,000
(46)	(8)

Diluted

Loss for the period
Weighted average number of equity shares in calculating basic EPS
Potential equity shares in the form of convertible preference shares
Total no. of shares outstanding (including dilution)

(5,112)	(914)
110,000	110,000
7,870,000	1,870,000
7,980,000	1,980,000

Diluted earning loss per share

(46) **(8)**

There are potential equity shares which are anti-dilutive, hence they are ignored in the calculation of diluted loss per share and accordingly the diluted loss per share is the same as basic loss per share

15 Financial instruments

a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

	Level	30 June 2021	31 March 2021
Financial assets			
a) Measured at fair value through profit or loss (FVTPL)			
Investment in equity/preference instruments of other entities (Refer Note b(iii) below)	Level 3	12,908	-
b) Measured at Amortised cost			
- Cash and cash equivalents		1,853	19,515
Total financial assets		14,761	19,515
Financial liabilities			
a) Measured at Amortised cost			
- Borrowings		88,125	46,337
- Trade Payables		59	30
Total financial liabilities		88,184	46,367

b) The following methods / assumptions were used to estimate the fair values:

- The carrying value of cash and cash equivalents and trade payables measured at amortised cost approximate their fair value.
- The fair value of non current borrowings are based on discounted cash flow using a current borrowing rate. They are classified as level 3 fair value in the fair value hierarchy due to the use of unobservable input, including own credit risk
- Fair value of equity/preference instruments of other entities is estimated based on discounted cash flows valuation technique using the cash flow projections,

16 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, Optionally convertible cumulative redeemable preference shares, and all other equity reserves attributable to the equity shareholder of the Company. The Company manages its capital to ensure that the company will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company is neither subject to externally imposed capital requirements nor exposed to external borrowings. For the purpose of the capital management, the management considers the share buy back obligation pertaining to Optionally convertible cumulative redeemable preference shares as part of the Capital.

The Company reviews the capital structure on a regular basis. As part of this review, the Company considers the cost of capital, risks associated with each class of capital requirements and maintenance of adequate liquidity. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

17 Related party transactions

a) Names of related parties and related party relationship

Related parties where control exists irrespective of whether transactions have occurred or not

(i) Holding Company

Indiamart Intermesh Limited

(ii) Key management personnel

Mr. Sudhir Gupta, Director
Mr. Praveen Kumar Goel, Director
Mr. Manoj Bhargava , Director

b) The following table provides the total amount of transactions that have been entered into with the related parties for the relevant financial period:

Particulars	For the period ended 30 June 2021	For the period ended 30 June 2020
Indiamart Intermesh Limited		
Issue of 0.01% Optionally convertible cumulative redeemable preference share (OCCRPS)	4,000	-
Issue of 0.0001% Compulsory Convertible Debentures (CCD) (classified as Equity)	250,000	-
Loan Received	286,500	-
Loan Repayment	(286,500)	-
Interest on Loan payment	2,766	-

The following table discloses amounts due to or due from related parties at the relevant period end :

Particulars	For the period ended 30 June 2021	For the period ended 30 June 2020
Holding Company		
Optionally convertible cumulative redeemable preference shares -liability component (also refer note 7)	88,125	-

Terms and conditions of transactions with related parties

The transactions with related parties are entered on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

18 Going concern

The parent company shall provide financial support to the Company, so as to meet its liabilities and commitments as and when the same is required.

19 Figures for the previous periods have been regrouped/reclassified to conform to the classification of the current period.
