INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Pay with Indiamart Private Limited

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Pay With Indiamart Private Limited** ("the Company"), which comprise the standalone Balance Sheet as at March 31,2022 and the standalone Statement of Profit and Loss, including other comprehensive income, standalone Cash Flow Statement and the standalone Statement of Changes in Equity for the period then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give a true and fair view in conformity with the accounting principle specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended:

- (a) in the case of the standalone Balance Sheet, of the state of affairs of the Company as at March 31,2022.
- (b) in the case of the standalone Statement of Profit and Loss including other comprehensive income, of the profit for the period ended on that date;
- (c) in the case of the Cash Flow Statement, of the cash flows for the period ended on that date; and
- (d) In the case of the Statement of Changes in Equity, of the changes in equity for the period ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

Emphasis of Matter Paragraph

We refer accounting policy to the Financial Statement of the Company, wherein financial impact of COVID-19 on the operations of the company have been disclosed. Future operations of the Company will be subject to developments on COVID-19 front together with stability in the economy which are currently uncertain.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial period ended at March 31,2022. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters

How our audit addressed the key audit matter

Revenue recognition (as described in Note 2.2(d) and Note 14 of the standalone Ind AS financial statements)

Total turnover for the period ended at March 31,2022 amounted to Rs.25,571 thousands. The Company generates revenue primarily from web services and follows a prepaid model for its business.

Revenue from web services are recognized based on output method i.e. pro-rata over the period of the contract as and when the company satisfies performance obligations by transferring the promised services to its customers.

The service are delivered using IT system which manages very high volume on daily basis and generates reports from which Company recognizes revenue, and hence there is inherent risk around the completeness and accuracy of the revenue recognition. Given the involvement of high volume, IT systems and inherent risk involved as described above, we determined the revenue recognition as key audit matter of the audit.

The Company's disclosures are included in Note 2.2(d) and Note 14 to the financial statement, which outlines the accounting policy for revenue and details of revenue.

Our audit procedures included the following:

- · We read the Company's revenue recognition accounting policies and assessed compliance of policies with applicable financial reporting standards.
- · We obtained an understanding of the revenue recognition process and tested controls around revenue recognition.
- · We involved IT specialist, to obtain an understanding, evaluate the design, and test the operating effectiveness of the IT controls related to the revenue recognition process.
- · We tested the IT general controls (including access controls, change management control and other IT general controls.), the relevant application controls and tested the reports generated by the system.
- · We selected a sample of transactions and performed tests of details including reading the contract, identifying performance obligation etc., and assessed whether the criteria for revenue recognition is met.
- · We also obtained and tested overall reconciliation of revenue and collection as generated from IT systems with accounting system.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these standalone financial statements that give a true and fair view of the standalone financial position, standalone financial performance including other comprehensive income, standalone cash flows and standalone changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The Board of Directors are also responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the ability of the Company's to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

- effectiveness of the Company's.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings, including any significant
 deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial period ended at March 31,2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditor's Report to the Members of Pay With Indiamart Private Limited

Report on the Internal Financial Controls under Clause (i) of Sub section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 1(f) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting **Pay With Indiamart Private Limited** ("the Company") as of at March 31,2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by The Institute of Chartered Accountants of India (ICAI). Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI).

PAY WITH INDIAMART PRIVATE LIMITED

Notes to the condensed financial statements for the year ended 31st March 2022

(Amounts in "Thousands")

1. Corporate Information

Pay With IndiaMart Private Limited ("the Company") is a public company domiciled in India and was incorporated on February 07, 2017 under the provisions of the Companies Act applicable in India. The company provides services in relation to facilitation of electronics payment through internet-based solution, financial intermediation, including advisory and consultancy services for internet based payment. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg New Delhi-110002, India.

The financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 26 April 2022.

2. Significant accounting policies

Basis of preparation

The financial statements of the Company for the year ended 31st March 2022 have been prepared in accordance with Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs ("MCA").

These financial statements must be read in conjunction with the company's last annual financial statements as at and for the year ended March 31, 2021. They do include all the information required for complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transaction that are significant to an understanding of the changes in the Company's financial position and performance since the last annual statements.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest INR thousand as per the requirement of Schedule III, unless otherwise stated.

3. Significant accounting estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Therefore, actual results could differ from these estimates.

Fair value measurement

The Company measures financial instruments, such as Investment in optionally convertible cumulative redeemable preference shares (OCCRPS), Investment in mutual funds at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

PAY WITH INDIAMART PRIVATE LIMITED

Notes to the condensed financial statements for the year ended 31st March 2022

(Amounts in "Thousands")

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 inputs, other than quoted prices included withi20n Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 Unobservable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant note.

Impact of COVID-19

The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue and cost, impact on leases, impact on investment in subsidiaries and associates and investment in other entities. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

4. Recently issued accounting pronouncements

On 24 March 2021, the Ministry of Corporate Affairs (MCA), notified amendments in Schedule III to the Companies Act, 2013 effective from 1 April 2021. Following are key amended provisions which may have impact on the presentation of financial statement of the Company:

Balance sheet:

- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade payables.

The Company is currently evaluating the impact of these amendment on its financial statements.

Basic EPS amounts are calculated by dividing the profit/(loss) for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS are calculated by dividing the profit/(loss) for the year attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

	For the year ended	For the year ended
Particulars	31 March 2022	31 March 2021
Profit/(loss) for the year Interest expense on convertible preference shares Adjusted Profit/(loss) for the year	(1,506) 4,762 3,256	773 4,122 4,895
Weighted average number of equity shares in calculating basic EPS Potential equity shares in the form of convertible preference shares Total no. of shares outstanding (including dilution)	100,000 2,775,000 2,875,000	100,000 2,737,329 2,837,329
Basic Profit/(loss) per equity share Diluted Profit/(loss) per equity share	(15.06) (15.06)	7.73 1.73

There are potential equity shares which are anti-dilutive, hence they are ignored in the calculation of diluted loss per share and accordingly the diluted loss per share is the same as basic loss per share

Return on investment (ROI) (in %)	Income generated from invested funds (Refer Note 2 below)	Average invested funds in treasury investments (Refer Note 3 below)	4%	8%	-44%

- Notes
 1. Capital Employed = Total shareholder's equity
 2. Income generated from invested funds = FVTPL gain on mutual funds
 3. Average invested funds in treasury investments = Average of (Average quarterly opening treasury investments and quarterly closing treasury investments #)
 # Treasury Investments = Mutual funds
- 4. Average is calculating based on simple average of opening and closing balances.
- * Explanation where variance in ratio is more than 25%
- Current ratio
- Current Liabilities have reduced in current year due to improvisation in the payable process thereby reducing payment cycle of the vendors, leading to increased ratio in the current year.

 Return on Equity Ratio/ Net profit ratio

 There is loss in current year as against profit in previous year, leading to negative return on equity and net profit ratio.

- Return on investment (ROI)

RBI had taken measures during COVID-19 in the month of March 2020 hence cut interest rates drastically, and introduced ample liquidity measures. We generated high returns in our mutual fund portfolio due to these liquidity measures in F.Y. 2020-2021.

21 Financial instruments

a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

	Level	31 March 2022	31 March 2021
Financial assets			
a) Measured at fair value through profit or loss (FVTPL)			
- Investment in mutual funds	Level 1	13,536	12,979
		13,536	12,979
b) Measured at Amortised cost			
- Cash and cash equivalents		20,866	26,150
- Others financial assets		11,692	6,735
		32,558	32,885
Total financial assets		46,094	45,864
Financial liabilities			
Measured at amortised cost			
- Borrowings		38,628	33,866
- Trade payables		105	151
- Other financial liabilities		1,504	5,255
		40,237	39,272
Total financial liabilities		40,237	39,272

b) The following methods / assumptions were used to estimate the fair values:

i) The carrying value of financial assets and liabilities measured at amortised cost approximate their fair value.

ii) The fair value of non current borrowings are based on discounted cash flow using a current borrowing rate. They are classified as level 3 fair value in the fair value hierarchy due to the use of unobservable input, including own credit risk

22 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the Company. The Company manages its capital to ensure that the company will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company is neither subject to externally imposed capital requirements nor exposed to external borrowings. For the purpose of the capital management, the management considers the borrowings pertaining to OCCRPS as nart of the Capital.

The Company reviews the capital structure on a regular basis. As part of this review, the Company considers the cost of capital, risks associated with each class of capital requirements and maintenance of adequate liquidity. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

23 Figures for the previous year have been regrouped/reclassified to conform to the classification of the current year.
