INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Hello Trade Online Private Limited

Opinion

We have audited the condensed standalone interim financial statements of **Hello Trade Online Private Limited ("the Company")**, which comprise the condensed standalone balance sheet as at 30 September 2023 and the condensed standalone statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, condensed standalone statement of changes in equity and condensed standalone statement of cash flows for the year-to-date period then ended, and notes to the condensed standalone interim financial statements, including a summary of the significant accounting policies and other explanatory information, as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 30 September 2023, and profit/loss and other comprehensive income for the quarter and year-to-date period then ended, changes in equity and its cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Condensed Standalone Interim Financial Statements

The Company's management and Board of Directors are responsible for the preparation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were

operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed standalone interim financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Hello Trade Online Private Limited

Notes to the condensed financial statements for the period ended 30th September 2023

(Amounts in “Thousands”)

1. Corporate Information

Hello Trade Online Private Limited (“the Company”) is a private company domiciled in India and was incorporated on July 03, 2008 under the provisions of the Companies Act applicable in India. The Company is authorized to engage in various business, including conducting domestic trade and international business facilitation, including sales, marketing, operational, technological, information processing and other trade and business related services. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg New Delhi-110002, India.

The condensed interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 23 October 2023.

2. Material accounting policies

Basis of preparation

The condensed interim financial statements of the Company for the period ended 30 September 2023 have been prepared in accordance with Indian Accounting Standard (‘Ind AS’) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs (“MCA”).

These condensed interim financial statements must be read in conjunction with the company’s last annual financial statements as at and for the year ended March 31, 2023. They do include all the information required for complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transaction that are significant to an understanding of the changes in the Company’s financial position and performance since the last annual statements.

All amounts disclosed in the condensed interim financial statements and notes have been rounded off to the nearest INR thousand as per the requirement of Schedule III, unless otherwise stated.

3. Significant accounting estimates and assumptions

The preparation of condensed interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Therefore, actual results could differ from these estimates.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Hello Trade Online Private Limited**Notes to the condensed financial statements for the period ended 30th September 2023**

(Amounts in “Thousands”)

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company’s assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods and quantitative disclosure of fair value measurement hierarchy (Note 12)

Total	20	10	31	32

9 Earnings per share

Basic EPS amounts are calculated by dividing the loss for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS are calculated by dividing the loss for the period attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into Equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

Basic/Diluted	For the quarter ended		For the period ended	
	30 September 2023	30 September 2022	30 September 2023	30 September 2022

10 Financial instruments

- a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

	As at 30 September 2023	As at 31 March 2023
Financial assets		
Measured at Amortised cost		
- Cash and cash equivalents	323	333
Total financial assets	323	333
Financial liabilities		
Measured at Amortised cost		
- Trade payables	142	124
Total financial liabilities	142	124

- b) The following methods / assumptions were used to estimate the fair values:

The carrying value of cash and cash equivalents and trade payables measured at amortised cost approximate their fair value.

11 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, and other equity reserves attributable to the equity holders of the company. The Company manages its capital to ensure that the company will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company reviews the capital structure on a regular basis. As part of this review, the Company considers the cost of capital, risks associated with each class of capital requirements and maintenance of adequate liquidity. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

12 Contingent liabilities, capital and other commitments

As at 30 September 2023 and as at 31 March 2023 , the company has no contingent liability and Nil capital and other commitments.
