INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Tolexo Online Private Limited

Opinion

We have audited the condensed standalone interim financial statements of **Tolexo Online Private Limited ("the Company")**, which comprise the condensed standalone balance sheet as at 31 December 2023 and the condensed standalone statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, condensed standalone statement of changes in equity and condensed standalone statement of cash flows for the year-to-date period then ended, and notes to the condensed standalone interim financial statements, including a summary of the significant accounting policies and other explanatory information, as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 December 2023, and profit/loss and other comprehensive income for the quarter and year-to-date period then ended, changes in equity and its cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Condensed Standalone Interim Financial Statements

The Company's management and Board of Directors are responsible for the preparation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were

operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed standalone interim financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the 22 of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Tolexo Online Private Limited**Notes to the financial statements for the period ended 31 December 2023**(Amounts in “Thousands”)

1. Corporate Information

Tolexo Online Private Limited (“the Company”) is a private company domiciled in India and was incorporated on May 28, 2014 under the provisions of the Companies Act applicable in India. The Company is engaged in the business of building cloud-based solutions for SME businesses to help and manage their business with increased efficiency. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg New Delhi-110002, India.

The financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 16 January 2024.

2. Material accounting policies**Basis of preparation**

The financial statements of the Company for the period ended 31 December, 2023 have been prepared in accordance with Indian Accounting Standard (‘Ind AS’) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs (“MCA”).

These financial statements must be read in conjunction with the company’s last annual financial statements as at and for the year ended March 31, 2023. They do include all the information required for complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transaction that are significant to an understanding of the changes in the Company’s financial position and performance since the last annual statements.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest INR thousand as per the requirement of Schedule III, unless otherwise stated.

3. Significant accounting estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Therefore, actual results could differ from these estimates.

Fair value measurement

The Company measures financial instruments, such as separable embedded derivative financial liability component of optionally convertible cumulative redeemable preference shares (OCCRPS), at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Tolexo Online Private Limited**Notes to the financial statements for the period ended 31 December 2023**(Amounts in “Thousands”)

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company’s assumptions about pricing by market participants

For assets and liabilities that are recognised in the financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods and quantitative disclosure of fair value measurement hierarchy (Note 25)

Total	2,24,76,325	4,78,902	2,24,76,325	4,20,311

Notes:

The Company had issued certain Optionally convertible redeemable preference shares (OCRPS). These OCRPS will be optionally convertible into equity shares of the Company at issued price including premium or at fair market value at the time of conversion at the option of holder. The OCRPS will be redeemable (in whole or in part) either at the option of the Company or at the option of the holder of the OCRPS after the expiry of 5 years from the date of allotment but before any time within 20 years from the date of allotment of OCRPS at par/premium. Based on these terms, the OCRPS have been bifurcated into a host non-derivative financial liability component and a separable embedded derivative component (i.e. holders option to convert the OCRPS either at issue price or fair market value at the time of conversion). The non-derivative financial liability component is measured at amortised cost using effective interest rate (EIR) method. The EIR represents the discount rate used to compute the fair value of the non-derivative financial liability component. The separable embedded derivative financial liability is measured at fair value on initial recognition with subsequent changes in fair value recognised through Statement of Profit and Loss and is disclosed under "Net (gain)/loss on derivative financial liability measured at amortised cost".

With effect from 22 February 2019, the Company has changed its terms of OCRPS to Optionally convertible cumulative redeemable preference shares (OCCRPS) to fix the tenure to 31 December 2025 and amount of redemption of preference shares to Rs. 30 per share including Rs 20 per share for premium on redemption and conversion ratio is fixed for 1:1 per OCCRPS to equity share.

23 Earnings per share

Basic EPS amounts are calculated by dividing the loss for the period attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the period.

Diluted EPS are calculated by dividing the loss for the period attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

	For the quarter ended		For the period ended	
	31 December 2023	31 December 2022	31 December 2023	31 December 2022
Basic earning per share				
Loss for the period	(18,009)	(16,620)	(54,265)	(51,870)
Weighted average number of equity shares in calculating basic EPS	70,01,800	70,01,800	70,01,800	70,01,800
Basic earning per share	(2.57)	(2.37)	(7.75)	(7.41)
Diluted earning per share				
Loss for the period for basic earnings per share	(18,009)	(16,620)	(54,265)	(51,870)
Interest expense on convertible preference shares	19,601	16,344	58,590	48,856
Adjusted Loss for the period	1,592	(275)	4,325	(3,014)
Weighted average number of equity shares in calculating basic EPS				
	70,01,800	70,01,800	70,01,800	70,01,800
Potential equity shares in the form of convertible preference shares	2,24,76,325	2,24,76,325	2,24,76,325	2,24,76,325
Total no. of shares outstanding (including dilution)	2,94,78,125	2,94,78,125	2,94,78,125	2,94,78,125
Diluted earning per share	(2.57)	(2.37)	(7.75)	(7.41)

There are potential equity shares which are anti-dilutive, hence they are ignored in the calculation of diluted loss per share and accordingly the diluted loss per share is the same as basic loss per share.

24 Defined benefit plan and other long term employee benefit plan

The Company has a defined benefit gratuity plan. Every employee who will complete statutory required year of service, will gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. This defined benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and salary risk.

The amount included in the balance sheet arising from the company's obligation in respect of its gratuity plan and leave encashment is as follows:

Gratuity - defined benefit plan

	As at 31 December 2023	As at 31 March 2023
Present value of unfunded defined benefit obligation	359	554
	359	554

Leave encashment - other long term employee benefit plan

	As at 31 December 2023	As at 31 March 2023
Present value of other long term employee benefit plan	129	246
	129	246

25 Fair value measurements

a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

Measured at Amortised cost

	As at 31 December 2023	As at 31 March 2023
Financial assets		
- Cash and cash equivalents	1,344	2,691
- Trade receivables	900	-
- Deposits with banks	9,614	6,129
- Security deposits	-	195
Total financial assets	11,858	9,015
Financial liabilities		
Measured at Amortised cost		
- Borrowings	4,78,902	4,20,311
- Trade payables	199	414
Total financial liabilities	4,79,101	4,20,725

b) The following methods / assumptions were used to estimate the fair values:

- i) The carrying value of cash and cash equivalents, loan to employees, trade payables, security deposits and other financial assets and financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments.
- ii) The fair value of non current borrowings are based on discounted cash flow using a current borrowing rate. They are classified as level 3 fair value in the fair value hierarchy due to the use of unobservable input, including own credit risk.

c) During the period ended 31 December 2023 and 31 March 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

26 Capital management

The Company manages its capital to ensure that the company will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company is not subject to any externally imposed capital requirements.

The Company reviews the capital structure on a regular basis. As part of this review, the Company considers the cost of capital, risks associated with each class of capital requirements and maintenance of adequate liquidity.

27 Segment information

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company has only one operating segment which is software services, which acts as a single operating segment based on the nature of the products, the risks and returns, the organization structure and the internal financial reporting systems. Hence the company falls within a single operating segment "Software services".

Information about geographical areas:

The company's revenue from continuing operations from external customers by location of operations and information of its non-current assets by location of assets are detailed below:

	Revenue from external customers			
	For the quarter ended		For the period ended	
	31 December 2023	31 December 2022	31 December 2023	31 December 2022
India	2,490	2,472	7,941	7,833
Others	-	-	-	57
Total	2,490	2,472	7,941	7,889

	Non-current assets*	
	As at	As at
	31 December 2023	31 March 2023
India	14,136	14,798
Total	14,136	14,798

* Non-current assets exclude financial assets and tax assets.
