Independent Auditors' Report on Review of Interim Financial Information

The Board of Directors

Busy Infotech Private Limited

### Introduction

We have reviewed the accompanying Condensed Interim Financial Statements of Busy Infotech Private Limited ("the Company"), which comprise of the Condensed Interim Balance Sheet as at 30 September 2024, the Condensed Interim Statement of Profit and Loss (including other Comprehensive Income) for the three and six months period ended 30 September 2024, the Condensed Interim Statement of Cash Flows and the Condensed Interim Statement of Changes in Equity for the six months period then ended, including material accounting policies and other explanatory notes (together referred to as 'interim financial information'). Management is responsible for the preparation and presentation of this interim financial information in accordance with the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on this interim financial information based on our review.

# **Scope of Review**

We conducted our review of the interim financial information in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with the Ind AS 34 and other accounting principles generally accepted in India.

# **Other Matter**

Our report on condensed Interim financial statements is addressed to the Board of directors of the Company and will be solely for use by the Company and the Holding Company, Indiamart Intermesh Limited. These condensed Interim financial statements are not the statutory financial statements of the Company. As a result, these financial statements may not be suitable for another purpose. Our report must not be copied, disclosed, quoted, or referred to, in correspondence or discussion, in whole or in part to anyone other than the purpose for which it has been issued without our prior written consent.

### Notes to condensed interim financial statements for the period ended 30 September 2024 (Unaudited)

(Amount in INR millions, unless otherwise stated)

#### 1 Corporate information

Busy Infotech Private Limited ('the Company') is a private limited company domiciled in India and was incorporated on August 12, 1997 under the provisions of Companies Act applicable in India. The registered office of the Company is at Plot No - 60, Ground Floor, Sector-18, Opposite Police Station, Industrial Complex Dundahera, Gurgaon, Haryana - 122016. The Company is a developer of accounting software 'Busy', an integrated business accounting and management software for Micro, Small & Medium Enterprises.

### 2 Material Accounting policies

## 2.1 Statement of Compliance

The condensed interim financial statements for the period ended 30 September 2024 have been prepared in accordance with Indian Accounting Standard (referred to as "Ind AS") 34, Interim Financial Reporting and other Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 20 I 3 ("the Act") (as amended from time to time). These condensed interim financial statements must be read in conjunction with the annual financial statements for the year ended 31 March 2024. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are significant to an understanding of the changes in the Company's financial position and performance since the last annual standalone financial statements.

The condensed interim financial statements are approved for issue by the Company's Board of Directors on 15 October 2024.

### 2.2 Basis of Preparation

The condensed interim financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of products sold and services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such products and services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the condensed interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

# 3 Significant accounting estimates and assumptions

The preparation of condensed interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgements made by management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those described in the last annual financial statements for the year ended 31 March 2024.

# Fair value measurement

The Company records certain financial assets and liabilities at fair value on a recurring basis. The Company determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Company's management determines the policies and procedures for recurring fair value measurement, such as mutual funds, bonds, debentures & market linked debentures measured at fair value.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level I Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 inputs, other than quoted prices included within Level I, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 Unobsetvable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

### Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Company can demonstrate all the following:

- The technical feasibility of completing the intangible asset so that it will be available for use or sale
- Its intention to complete the asset
- Its ability to use or sell the asset
- How the asset will generate future economic benefits
- The availability of adequate resources to complete the development and to use or sell the asset
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized on a straight-line basis over the period of expected future benefit from the related project. Amortization is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. During the period of development, the asset is tested for impairment annually.

#### 25 Fair values Measurements

# a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the company's financial instruments are as follows:

	Level	As at 30 September 2024	As at 31 March 2024 (Audited)
Financial assets			
a) Measured at fair value through profit or loss (FVTPL)			
- Investment in mutual funds (refer note b(ii) below)	Level 1	756.25	713.33
- Investment in bonds & debentures (refer note b(iii) below)	Level 2	466.33	360.39
		1,222.58	1,073.72
b) Measured at amortised cost (Refer Note b(i))			
-Trade receivables		20.22	34.37
-Cash and cash equivalents		1.53	19.26
-Other Bank balances		9.71	9.95

Trade payables		18.61	14.70
Other financial liabilities		28.19	47.16
Total		46.80	61.86

### b) The following methods / assumptions were used to estimate the fair values:

- i) The carrying value of Deposits with Banks, Inter-corporate deposits with Financial institutions, trade receivables, cash and cash equivalents, loans to employees, trade payables, security deposits and other financial assets, borrowings and other financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments. These have been assessed basis counterparty credit risk.
- ii) Fair value of quoted mutual funds is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.

27 The Company has filed a petition before National Company Law Tribunal (NCLT) Bench, Chandigarh and proposed a Scheme of Arrangement ("Scheme") between Busy Infotech Private Limited (the Company) & Hello Trade Online Private Limited (together referred as the Transferor Companies) and Tolexo Online Private Limited (Transferee Company) and their respective shareholders for the purpose of merger by way of absorption. This Scheme is presented under the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013. The Scheme is subject to scrutiny by statutory authorities and other interested parties before NCLT examines it from judicial and overall perspective. On the Scheme becoming effective, the Transferor Companies shall be dissolved without being wound up. The proposed scheme has been approved by the Board of Directors of the Company in their meeting held on 29 March 2024. Further, at the meeting of the equity shareholders of the Transferor Company and the Transferee Company, the Scheme of Arrangement was unanimously approved by all the equity shareholders present at the respective meeting of the Transferor Company and the Transferee Company. The condensed interim financial statements of the Company for the period ended September 30,2024 have been prepared on the assumption that the fundamental accounting assumption of going concern is appropriate as upon dissolution all property, plant and equipment, intangible assets, interests, rights, privileges, liabilities, obligations and the whole of undertaking of Busy Infotech Private Limited will get transferred to Tolexo Online Private Limited (Transferee Company) by virtue of the provisions of Companies Act, 2013. Accordingly, the assets and liabilities are recorded on the basis that the Company will be able to use or realize its assets at least at the recorded amounts and discharge its liabilities in the usual course of business.

The first motion application petition for the Scheme was filed with the National Company Law Tribunal ("NCLT") on March 29, 2024. The NCLT pronounced the first motion petition order dated July 03, 2024. The second motion application petition was filed with NCLT on July 6, 2024. The final hearing was on 9th October 2024. The court has reserved the order. Given that the Scheme will become effective on filling of the NCLT order with the Registrar of Companies, the financial impact of the Scheme is not incorporated in the condensed interim financial statements of the Company for the six months ended September 30, 2024.

# 28 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company has only one operating segment which is accounting software services, which acts as a single operating segment based on the nature of the products, the risks and returns, the organization structure and the internal financial reporting systems. Hence the company falls within a single operating segment
