**To the Board of Directors  
Pay With Indiamart Private Limited**

**Report on the Audit of Condensed Interim Financial Statements**

We have audited the accompanying condensed interim Ind AS Financial Statements of Pay With Indiamart Private Limited ("the Company") which comprise the Condensed Interim Balance Sheet as at June 30, 2025, the Condensed Interim Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Condensed Interim Statement of Changes in Equity and the Condensed Interim Statement of Cash Flows for the quarter then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these Financial Statements in accordance with the basis described in **Note 2** to the financial statements that give a true and fair view of the financial position, financial performance and changes in equity.

This responsibility also includes maintenance of adequate accounting records in accordance with the accounting principles for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Director is also responsible for overseeing the Company's financial process.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these Financial Statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these Financial Statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Financial Statements are prepared in all material respects, in accordance with the basis described in **Note 2** to the financial statements.

### Other Matters

This report is issued at the request of the holding company and is intended solely for the information and use of IndiaMART InterMESH Limited and its auditors in connection with presentation and audit, respectively, of the consolidated financial results of IndiaMART InterMESH Limited for the quarter ended June 30, 2025. Accordingly, the aforesaid financial statements may not be suitable for another purpose and this report should not be used for any other purpose or referred to in any other document or distributed to parties other than stated above without our prior written consent.

Our opinion is not qualified with respect to the above matter.

## **1. Corporate Information**

Pay With IndiaMart Private Limited (“the Company”) is a private company domiciled in India and was incorporated on February 07, 2017 under the provisions of the Companies Act applicable in India. The company provides services in relation to facilitation of electronics payment through internet-based solution, financial intermediation, including advisory and consultancy services for internet based payment. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg New Delhi-110002, India.

The condensed interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 14 July 2025.

## **2. Summary of Material Accounting Policies**

### **(a) Statement of compliance**

The condensed interim financial statements for the period ended 30 June 2025 have been prepared in accordance with Indian Accounting Standards (referred to as “Ind AS”) 34, Interim Financial Reporting and other Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 2013 (“the Act”) (as amended from time to time).

These condensed interim financial statements must be read in conjunction with the financial statements for the year ended 31 March 2025. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are material to an understanding of the changes in the Company’s financial position and performance since the last annual financial statements.

All the amounts disclosed in the condensed interim financial statements have been rounded off to the nearest INR thousand as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

### **(b) Basis of Preparation**

The condensed interim financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company’s accounting policies. The areas where estimates are significant to the condensed interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

## **3. Significant accounting estimates and assumptions**

The preparation of condensed interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgements made by the management in applying the Company’s accounting policies and key sources of estimation and uncertainty were the same as those described in the last annual financial statements for the year ended 31 March 2025.

### **Measurement of fair values**

The Company records certain financial assets and liabilities at fair value on a recurring basis. The Company determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Company's management determines the policies and procedures for recurring fair value measurement, such as investment in debt instruments, equity instruments and preference instruments of other entities, investment in mutual funds, bonds, debentures, units of investment trust and units of alternative investment fund measured at fair value.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

### Terms of conversion/ redemption of 0.01% Optionally Convertible Cumulative Redeemable Preference Share (OCCRPS)

The Company has issued only one class of preference shares i.e. 0.01% Optionally Convertible Cumulative Redeemable Preference Shares (OCCRPS). OCCRPS carry a preferential right vis-à-vis Equity Shares of the Company with respect to payment of dividend and repayment in case of a winding up; the OCCRPS shall be participating in the surplus funds; the OCCRPS shall be participating in surplus assets and profits, on winding- up which may remain after the entire capital has been repaid; the OCCRPS will be entitled to dividend, if declared by the Board of Directors, on cumulative basis. With effect from 22 February 2019, the Company has changed its terms of OCCRPS to fix the tenure till 31 January 2028 and amount of redemption of preference shares to Rs. 30 per share including Rs 20 per share for premium on redemption. OCCRPS will be optionally convertible into equity share of the Company at 1:1 ratio at the option of the holder at the expiry of terms on 31 January 2028 at Rs 30 per share including Rs 20 per share for premium on redemption. Consequent to the change in redemption terms with effect from 22 February 2019 the nature is changed from fair value through P&L to measurement through amortised cost.

During the year ended 31 March 2025, the Company had changed the terms of OCCRPS stating " OCCRPS will be convertible / redeemable ( in whole or in part) at the option of holder on or before January, 31 2028". Consequent to the change in redemption terms with effect from 24 October 2024, the entire OCCRPS was classified as a liability and was recognised at the present value of redemption amounting to INR 83,250.

#### 16 Earnings per share

Basic Earning per share (EPS) amounts are calculated by dividing the profit/(loss) for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the period.

Diluted EPS are calculated by dividing the profit/(loss) for the period attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The following is the basic and diluted EPS computations:

Particulars	For the quarter ended 30 June 2025	For the quarter ended 30 June 2024
Profit/(Loss) for the period (A)	843	(1,683)
Interest expense on convertible preference shares	-	1,762
<b>Adjusted profit for the period (B)</b>	<b>843</b>	<b>79</b>
Weighted average number of equity shares in calculating basic EPS ( C )	100,000	100,000
Potential equity shares in the form of convertible preference shares	2,775,000	2,775,000
<b>Total no. of shares outstanding (including dilution) (D)</b>	<b>2,875,000</b>	<b>2,875,000</b>
<b>Basic earning/loss per equity share (A/C) (INR)</b>	<b>8.43</b>	<b>(16.83)</b>
<b>Diluted earning/loss per equity share (B/D) (INR)*</b>	<b>0.29</b>	<b>(16.83)</b>

\*There are potential equity shares which are anti-dilutive for the period ended June 30, 2024, hence they are ignored in the calculation of diluted loss per share and accordingly the diluted loss per share is the same as basic loss per share.

## 19 Financial instruments

### a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

	Level	As at 30 June 2025	As at 31 March 2025
<b>Financial assets</b>			
a) Measured at fair value through profit or loss (FVTPL)			
- Investment in mutual funds	Level 1	17,080	16,687
		17,080	16,687
b) Measured at Amortised cost			
- Cash and cash equivalents		892	1,070
- Deposit with bank		40,537	39,891
		41,429	40,961
<b>Total financial assets</b>		<b>58,509</b>	<b>57,648</b>
<b>Financial liabilities</b>			
Measured at amortised cost			
- Borrowings		83,250	83,250
- Trade payables		39	25
<b>Total financial liabilities</b>		<b>83,289</b>	<b>83,275</b>

### b) The following methods / assumptions were used to estimate the fair values:

- The carrying value of cash and cash equivalents, trade payables, and other financial assets and other financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments. These have been assessed basis counterparty credit risk.
- The fair value of non-current borrowings are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used do not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.
- Fair value of quoted mutual funds and alternative investment funds is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.
