To the Board of Directors
Livekeeping Technologies Private Limited

Report on the Audit of Condensed Interim Financial Statements

We have audited the accompanying condensed interim Ind AS Financial Statements of Livekeeping Technologies Private Limited("the Company") which comprise the Condensed Interim Balance Sheet as at September 30, 2026, the Condensed Interim Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Condensed Interim Statement of Changes in Equity and the Condensed Interim Statement of Cash Flows for the quarter ended September 30, 2026 and six months ended September 30, 2026, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these Financial Statements in accordance with the basis described in **Note 2** to the financial statements that give a true and fair view of the financial position, financial performance and changes in equity.

This responsibility also includes maintenance of adequate accounting records in accordance with the accounting principles for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Director is also responsible for overseeing the Company's financial process.

Auditors' Responsibility

Our responsibility is to express an opinion on these Financial Statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Financial Statements are prepared in all material respects, in accordance with the basis described in **Note 2** to the financial statements.

Other Matters

This report is issued at the request of the holding company and is intended solely for the information and use of IndiaMART InterMESH Limited and its auditors in connection with presentation and audit, respectively, of the consolidated financial results of IndiaMART InterMESH Limited for the quarter ended September 30, 2026. Accordingly, the aforesaid financial statements may not be suitable for another purpose and this report should not be used for any other purpose or referred to in any other document or distributed to parties other than stated above without our prior written consent.

Our opinion is not qualified with respect to the above matter.

1. Corporate Information

Livekeeping Technologies Private Limited ("the Company") is a private company domiciled in India and was incorporated on28 January 2015 under the provisions of the Companies Act applicable in India. The Company provides licensing of software. The registered office of the Company is located at 1st Floor, 29- Daryaganj, Netaji Subash Marg, New Delhi - 110002.

The condensed interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 23 October 2026.

2. Summary of Material Accounting Policies

(a) Statement of compliance

The condensed interim financial statements for the period ended 30 September 2026 have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") 34, Interim Financial Reporting and other Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time totime) and other relevant provisions of the Companies Act, 2013 ("the Act") (as amended from time to time).

These condensed interim financial statements must be read in conjunction with the financial statements for the year ended 31 March 2026. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are material to an understanding of the changes in the Company's financial position and performance since the last annual financial statements.

All the amounts disclosed in the consolidated financial statements have been rounded off to the nearest INR thousand as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

(b) Basis of Preparation

The condensed interim financial statements have been prepared on the historical cost basis, except forcertain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the condensed interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

3. Significant accounting estimates and assumptions

The preparation of condensed interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgements made by the management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those described in the last annual financial statements for the year ended 31 March 2026.

Measurement of fair values

The Company records certain financial assets and liabilities at fair value on a recurring basis. The Company determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Company's management determines the policies and procedures for recurring fair value measurement, such as investment in debt instruments, equity instruments and preference instruments of other entities, investment in mutual funds, bonds, debentures, units of investment trust and units of alternative investment fund measured at fair value.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed interim financialstatements are categorised within the fair value hierarchy, described as follows, based on the degree to which theinputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

(i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
(ii) Level 2 — inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
(iii) Level 3 — Unobservable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed interim financial statements on fair valueon a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy byre-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

*Refer note 27 for transactions pertaining to related parties.

22 Defined benefit plan and other long-term employee benefit plan

The Company has a defined benefit gratuity plan. Every employee who has completed statutory defined year of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with insurance company in form of qualifying insurance policy. This defined benefit plan exposes the Company to actuarial risks, such as longevity risk, interest rate risk and salary risk.

The amount included in the balance sheet arising from the Company's obligation in respect of its gratuity plan and leave encashment is as follows:

Gratuity - defined benefit plan

	As at 30 September 2026	As at 31 March 2026
Present value of defined benefit obligation	3,959	9,900
Fair value of plan assets	(1,194)	(1,192)
Net liability arising from defined benefit obligation	**2,765**	**8,708**

Leave encashment - other long-term employee benefit plan

	As at 30 September 2026	As at 31 March 2026
Present value of other long-term empoyee benefit plan	1,211	2,361
	1,211	**2,361**

23 Earnings per share

Basic EPS amounts are calculated by dividing the profit/(loss) for the period attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS are calculated by dividing the profit/(loss) for the period attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations

	For the quarter ended		For the six month ended	
	30 September 2026	**30 September 2025**	**30 September 2026**	**30 September 2025**
Basic loss per share				
Loss for the period attributable to owners of the Company [A]	(12,568)	(59,451)	(73,738)	(111,167)
Weighted average number of equity shares for the purposes of basic EPS [B]	10,000	10,000	10,000	10,000
Basic loss per share (face value of ₹10 per share) [A/B]	**(1,256.80)**	**(5,945.10)**	**(7,373.80)**	**(11,116.70)**
Diluted loss per share				
Loss for the period attributable to owners of the Company [A]	(12,568)	(59,451)	(73,738)	(111,167)
Weighted average number of equity shares for the purposes of basic EPS [B]	10,000	10,000	10,000	10,000
Potential equity shares in the form of convertible preference shares[C]	6,843	6,843	6,843	6,843
Weighted average number of potential equity shares in the form of Optionally Convertible Debentures (classified as equity)[D]	2,931	-	2,585	-
Total no. of shares outstanding (inluding dilution) D= [B+C]	19,774	16,843	19,428	16,843
Diluted loss per share (face value of ₹ 10 per share) [A/D] *	**(1,256.80)**	**(5,945.10)**	**(7,373.80)**	**(11,116.70)**

* The impact of potential equity shares on diluted loss per share is anti-dilutive, hence the potential shares are ignored in the calculation of diluted loss per share and the diluted loss per share is the same as basic loss per share.

24 Fair value measurements

a) Category wise details as to carrying value, fair value and the level of fair value measurement hierarchy of the Company's financial instruments are as follows:

	As at 30 September 2026	**As at 31 March 2026**
Financial assets		
a) Measured at fair value through profit or loss (FVTPL) (Refer note 2 below)		
Investments in mutual funds- quoted	26,482	29,691
	26,482	**29,691**
b) Measured at amortised cost (Refer note 1 below)		
Cash and cash equivalents	2,743	4,602
Loan to employees	-	233
Other financial assets	1,279	1,309
	4,022	**6,144**
Total financial assets (a+b)	**30,504**	**35,835**
Financial liabilities		
Measured at Amortised cost		
Trade payables	8,073	15,786
Other financial liabilities	9,527	5,369
Total financial liabilities	**17,600**	**21,155**

b) The following methods / assumptions were used to estimate the fair values:

1. The carrying value of cash and cash equivalents, trade receivables, loans, other financial assets and trade payables measured at amortised cost approximate their fair value due to the short-term maturities of these instruments. These have been assessed basis counterparty credit risk.
2. Fair value of quoted mutual funds is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.

25 Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the returns to stakeholders through the optimisation of the borrowings and equity balance.

The capital structure of the Company consists of no borrowings and only equity of the Company.

The Company is not subject to any externally imposed capital requirements.

The Company reviews the capital structure on a regular basis. As part of this review, the Company considers the cost of capital, risks associated with each class of capital requirements and maintenance of adequate liquidity.

26 Segment information

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company has only one business segment which is accounting software services. Hence the Company falls within a single operating segment "Accounting software services".
